Freelance Video Editor Jun 2023 – Oct 2024

- Freelance (Remote)

Internships

DotNet Full Stack Web Development & Generative AI July 2025 - Dec 2025
Information Technology Institute (ITI) – On Site : Alexandira

- Tickets Management System (Tessera) Graduation project: **View Project**
  - Technology used: .NET 9-ASP.NET Core / Entity Framework / MySQL / LINQ / Stripe.net / Angular 18 / Bootstrap / TypeScript

Web Development Training Jun 2024 - Sep 2024
CodeAlpha (Remote)

- Library Management Website (BookNest): **View Project**
  - Technology used: NodeJs / React / MongoDB / Javascript / RestfulAPI / ExpressJs

Education

Faculty of Science – Software Industry and Multimedia Department Oct 2020 - Jun 2024
Alexandria University - Grade : **3.5/4.0** (Excellent)

- Graduation Project (Petpal) Grade - Excellent: **View Project**
  - Technology used : MERN stack / Microservices Architecture / MVC / SMTP / RESTful apis / bcrypt / multer / nodemailer / openai / cloudinary / mongoose / bootstrap / MUI
- E-Commerce Gaming Website Project: **View Project**
  - Technology used : MERN stack / Microservices Architecture / Docker / bcrypt / mongoose / Redis / RESTful apis

Courses

Database Fundamentals - Maharatech Jul 2025

The Complete Node.js Course (RESTful, Node.js, Express, and MongoDB) - Maharatech Aug 2024

Open-Source Development (Summer Training) - Information Technology Institute (ITI) Aug 2023

Introduction To The Internet of Things - IoT Value Chain - Maharatech Jul 2023

Developing iOS app using SWIFT (Winter Training) - Information Technology Institute (ITI) Feb 2023

Introduction To Artificial Intelligence (AI) - IBM Feb 2023

Linux System Administration with IBM Power Systems - IBM Jul 2022

Skills

- Programming Languages : JavaScript - TypeScript – C# - C++ - Java – Python
- Backend : .Net Core - LINQ - Entity Framework – ExpressJs - NodeJs - RESTful API
- Frontend : HTML5 - CSS3 - Bootstrap - ReactJs - AngularJs
- Databases: SQL Server - MongoDB - MySQL
- Soft Skills: Problem-Solving – Teamwork - Adaptability - Continuous Learning

Languages

- Arabic : Native
- English : Excellent

Extra Curriculum Activities

- Technical staff at Hacker Rank Jul 2022 - Aug 2022

Additional Information

Military Service: Completed my military service as a Soldier from (1 December 2024) to (8 April 2025).
